Responsible Contracting in Global Supply Chains – a tool for Human Rights and Environmental Due Diligence

© GIZ/ Roman König

Join our interactive Workshop in Bonn

The **Initiative for Global Solidarity** offers one day of engaging input on the legal developments around CSDDD and LKSG, as well as practical tools for responsible contracting. Learn about the role of contracts in **upcoming legislations** and how to integrate responsible contracting into your HREDD systems. Starting with practice examples and tools, we will then move to a fictional, **interactive practice case**.

This workshop is for CSR and legal staff from European Brands.
